

Scenic Riceville Advocates
Riceville Valley Business Directory

Many Riceville Valley residents looking for products, services or other assistance may be unaware of prospective offerers who are also their Riceville Valley neighbors.

SRA invites listing applications from Riceville Valley residents (18 years of age or older, please) for an on-line Business Directory that is already accessible at <http://ScenicRicevilleAdvocates.org>. Our Directory project's purpose is to help promote neighborhood entrepreneurship as well as support a sense of community here in the Valley.

If you fit the description above, read on. Do you offer products or services professionally, as "a part-timer," "unofficially," or even as a hobbyist or volunteer? Do you do whatever you do only just here in the Valley or in a wider area like location(s) elsewhere in the Asheville or surrounding area, the Internet, etc.? If you would like to be listed in the Riceville

Valley Business Directory, please complete and submit this application. Forms are also available on our Web Site (URL above).

We intend that listings in this "Business" Directory reflect the term "business" broadly in order to be inclusive. If you have knowledge, skills, abilities, hobbies, etc. that you offer or wish to offer, we cordially invite you to participate in this community project. A starter sampling of possible offering categories is given on the back of this form. The key requirement for being listed is that you, the "owner," are 18 years old or older and reside in the Riceville Valley. If your situation doesn't quite fit and you'd like to talk, please see "Questions welcome" below.

From NOW until October 2009 ... call it the first year ... listing your business is FREE. Then in October 2009, we plan to begin charging a modest \$5.00 per year for listings. We will contact Directory listers annually (starting about September 2009), prior to the upcoming renewal deadline.

If you need to revise your listing content at any time, just let us know; no charge for changes. SRA reserves the right to decline any listing application deemed problematic, and we do not warrant the outcome of any listing.

Questions welcome; please contact George Rogers by e-mail to vedalite@bellsouth.net.
